

Al Nasr Contracting Co. L.L.C. Quality Policy is based on the basic principles and values established for the organization and can be summarized as the following:

- In recognition to our valuable customers we are committed to meet customer requirements on time and within budget, meet their expectations and gain their satisfaction.
- All activities performed in the course of construction and execution of the projects shall be in accordance with the contract document requirements and the governing national and international standards, codes, regulations and with the company's Quality Management System.
- The best possible technology in the industry shall be applied to comply with the agreed requirements and continually improve the effectiveness of the quality management system.
- We shall ensure quality is not compromised and shall plan our work in such a way as to become industry benchmarked for quality standards.
- Progressive improvements in our Quality performance shall be achieved by the systematic review of our arrangements against defined objectives and targets.
- We recognize the importance of our employees and their contribution for the achievement of our goals and objectives; we shall strive to increase their competence, involvement and motivation.

This policy shall be reviewed for its continuing suitability and shall be followed by all employees.

SAMI SIDAWI
